Note: Medicare allows a physician to bill for his/her medical management of home care patients provided it involves at least 30 minutes of **the Physicians** time per month. This record will assist in compiling and documenting such time. We recommend that this record be retained for audit purposes.

Billing is submitted under CPT Code 99375 and Medicare Part B rules apply as to patient co-pay. Only one physician may bill for home care management of each patient in a given month.
